

We decided to change our attitude and the sail

What is a Centre of Excellence? It is philosophy not Brick & Mortar.

"...specialised programs within health care institutions which supply exceptionally high concentrations of expertise and related resources centred on particular medical areas and delivered in a comprehensive multidisciplinary fashion'

7 Key Pillars of Excellence

- 1. Patient & Carer Experience
- 2. Quality, Safe & Cost-Effective Clinical Care
- 3. Training & Staff Wellbeing
- 4. Research & Innovation
- 5. Leadership
- 6. Service Environmental Design & Infrastructure
- 7. Community Engagement & Partnerships

FSFHG Centre of Excellence for Older Adults

Excellence in patient care

Streamlined equitable care. Building capacity through in-reach models of care at Fiona Stanley Hospital and direct pathways to Fremantle Hospital.

Person-centred care, community engagement and purposeful partnerships

Ensuring person centred care is embedded to all older adults including rural and remote communities, FIRST NATIONS and CALD.

Research and innovation

Collaborating with external partners and investing in research and innovation to strive for best care opportunities.

Excellence in training 'together as one team we grow'

Investment in our staff wellbeing, professional development and leadership.

Equity of access and expansion across SMHS

Expansion of existing services and development of new services and pathways across SMHS.

Environmental design, technology and sustainability

Seeking environmental, technology and sustainability opportunities for excellence, statewide initiatives and challenges of the future within SMHS.

SMHS centre of excellence for older adults strategy 2025

- 2030

Community confidence in the SMHS commitment to strive, embed and improve to deliver only excellent care to older adults.
